AMENDMENT B

Commissioner of Patents and Trademarks

Washington, D.C. 20231

Sir:

In response to the outstanding office action dated July 17, 2002, kindly amend the above referenced patent as follows:

In the Abstract:

A shower attachment which can simplify the showering process by allocating soap, moisturizers, fragrances, and other detergent-type fluids through a shower head using the venturi concept so as to integrate the substance with the regularly dispensed water flow.
